

GANDHI ENGINEERING COLLEGE

BHUBANESWAR

EXCELLENCE IS OUR ESSENCE

The Gross Domestic Product (GDP) is the indicator of the performance of an economy. Various sectors falling under the GDP composition which includes Manufacturing, Construction, Heavy machine tools, Agriculture, Telecom, IT & ITES, Food processing, Petroleum, Steel, Chemical and many others. Agriculture contributes 17% of our GDP whereas Industry (Manufacturing) and Technically enabled services contribute 53% of our GDP. Both Industry and Technically enabled services grossly depend on technical manpower and technological innovation.

Sector-wise Contribution to GDP of India

Sector	% of GDP	Category of workforce
AGRICULTURE	17 %	General Education
INDUSTRY (MANUFACTURING)	26 %	Engineering
TECH. ENABLED SERVICES	27 %	Engineering
NON-TECH. ENABLED SERVICES	30 %	General Education

Traditional Engineering branches like Mechanical, Chemical and Electrical have gone through metamorphosis in combination with other branches like Electronics, Bio-medicals and Data-Analysis. Several new opportunities and career possibilities opened up for the fresh engineering. Embedded system, Data Analytics has completely changed the face of technology.

IMPORTANCE OF CHOOSING THE RIGHT COLLEGE

Sometimes, it takes an entire year to really figure out what you want to do. College is about self discovery. Selecting the right college is one of the most important choices you'll ever make, and your decision should be comprehensive: does a college meet your academic, financial, social and other personal needs? If so, then it could be the right college for you - even if it isn't at the top of a college ranking list. Private colleges have a number of benefits that cannot be found elsewhere. They are academically challenging and student focused. Private colleges have critical thinking, technological advancement, Industry orientation training in their curriculum.

CHOOSE YOUR COLLEGE WHICH HAS :

- /// A rich and enviable infrastructure
- /// Highly experienced and brilliant faculty
- /// Uninterrupted top class university results
- /// Proven record of quality & quantity placement
- /// Best campus hostel
- /// Best of the student facility
- /// Highest student satisfaction
- /// A strong training and placement cell

- We advise a student to verify facts from their senior friends who are reading in relevant disciplines in different professional / technical colleges of Odisha and around.
- If you talk to knowledgeable senior students of more than 10 different institutions, we are sure the name of **Gandhi Engineering College (GEC), Bhubaneswar** will come at the top.

What Makes GANDHI ENGINEERING COLLEGE, one of the best Engg. Colleges of Eastern India

GEC IS THE PET PROJECT OF LEGENDARY EDUCATIONALIST Dr. SATYA PRAKASH PANDA After proven track records, GEC was designed to perform at a very high level far above of others.

STUDENT PLACEMENT AN EXAMPLE FOR OTHERS TO LEARN. 93% placement during 2012 batch, 87% placement during 2013 batch, 91% placement during 2014 batch, 94% placement during 2015, 96% placement during 2016 & 95% placement during 2017. Companies like Flipkart, Infosys, Oracle, Tech Mahindra, Hexaware, Honey Well, Capgemini, CSC, BMC Software, Vedanta, JK paper, OCL, Adhunik, Enercon, Evonik, HP, L&T Infotech, Essar etc. This is the indicator of high voltage performance of the Institution. For 2018 batch, companies like Hexaware, Jindal SAW Ltd., L&T Infotech, Tech-Mohindra, Flowmore Pumps & Unisis have already selected students. More companies like Simplex, Bhusan, CMS, Infosys, TCS, HCL Technologies, IBM, Accenture, Cognizent, Process MAP are in the pipe line and we are moving fast towards the dream target of 100% placement.

NAAC 'A' GRADE ACCREDITED COLLEGE

UNIVERSITY RESULTS - UNPARALLEL EXAMPLE. GEC was established during 2006. In the 1st semester exams itself, it snatched the 1st, 5th, 7th & 9th rank of BPUT. The same kind of performance has been achieved consistently every year.

TOP CLASS FACULTY Today only 7 engineering colleges of Odisha have got high performing result oriented faculties, GEC is one among them. That is the reason for its high University results and campus placement and proved as the most disciplined college without losing any working day.

100% INFRASTRUCTURE The quality and quantity of infrastructure is better than any college with decades of existence.

IN-CAMPUS HOSTELS - 1300 SEATS. NO 11TH YEAR COLLEGE HAS. They provide everything that a student needs within the cost structure.
